<http://meadowlarks.omahaneb.org/2017>

Thank you for your interest in attending our Model A Regional Meet in Omaha. We sincerely hope that you will make the choice to “Join the “A” Scene in Seventeen”!

This year will mark the eighth time that the Meadowlark Model A Ford Club has hosted a regional meet in Omaha. We look forward to hosting you again June 5-9, 2017 for what is sure to be a family-friendly week of Model A fun! In these pages you will find general descriptions of the events and tours we are planning, a registration form, and information necessary to order merchandise. If you have any questions on any of this information, please don't hesitate to call, e-mail, or write us.

In order to better plan many of the events, we ask you to register as early as possible. We plan to order most of the merchandise on May 1<sup>st</sup>, based on the number of items requested. If you register, or order merchandise after May 1<sup>st</sup>, it will be more difficult to ensure you get the merchandise you want.

Our host hotel, the Hotel RL (Formerly the Ramada Plaza Hotel & Convention Center / CoCo Keys Resort), has been very accommodating to us and to your needs. They are just finishing a major renovation, so you will be among the first to enjoy their upgraded facilities, including their guest rooms, the ballroom, their fine restaurants, and the popular indoor water park. If you have any specific issues or requests, please don't hesitate to let us or the hotel know.

Your POCs for the regional meet are:

Dale Jergensen, 402-949-0521

Greg Bowden, 402-210-9146

## **June 6<sup>th</sup> (Tuesday):**

### **L**ate Meet Registration

7:00 – 9:00 AM at the hotel. If you arrive late Monday night or otherwise haven't had a chance to register yet, we'll be available Tuesday morning prior to the first tour.

### **S**trategic Air Command and Aerospace Museum

<https://sacmuseum.org>

We will depart the hotel at 9:00 AM for a tour of the Strategic Air Command and Aerospace Museum near Ashland, Nebraska. This world-class museum features the aircraft that won the Cold War under the famous Strategic Air Command, which had its headquarters near Omaha. You will see everything from a newly restored B-29 Superfortress, a B-52 Stratofortress, a B-17 Flying Fortress, a B-1 Lancer, an SR-71 spy plane, and just about everything in between. Over 300,000 square feet of floor space contains

countless aircraft and other military and Cold War exhibits that are sure to amaze you.

Lunch will be served at the museum, catered by Parkers Smokehouse, in one of the most unusual settings you will ever have the chance to eat lunch in.....right under the wing of an enormous six-engine B-36 strategic bomber! Lunch will be served

anytime between 11:30 and 12:30, and will include your choice of sandwich (Brisket, Pulled Pork, or BBQ Chicken) and two sides, with iced tea and lemonade to drink. Guided tours will be available, but you will also have the chance to roam about as you wish, and for as long as you want! We also hope to have access to the restoration hanger, where you can catch a glimpse of the experts actually restoring an aircraft. When you are finished touring the museum, you will have the option of two additional tours leaving the museum at 1:00 PM, each on a pay-as-you-go basis.

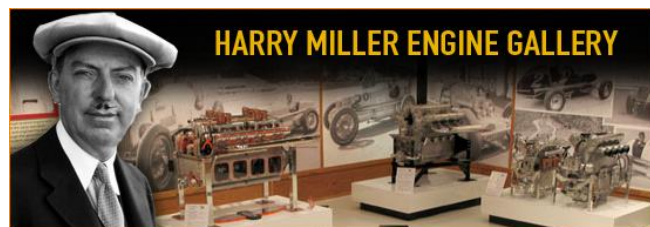

### **M**useum of American Speed (Optional)

<http://museumofamericanspeed.com>

One group will depart the museum for Lincoln, Nebraska to visit the Museum of American Speed. Founded in 1992 by "Speedy" Bill and Joyce Smith, the Speedway Motors Museum of American Speed is dedicated to preserving, interpreting and displaying physical items significant in racing and automotive history. The museum encompasses over 135,000 square feet and includes the collection from the Smiths' personal involvement in racing over six decades, and their lifelong passion for collecting and preserving historic automotive artifacts.

Here you will see a fabulous collection of historical engines, racecars, and speed-related automobilia from the Model T era and up. Many vintage rare cars are also featured, including one of the few Tuckers in existence. Finally, the peddle car and lunch box collections are something you won't want to miss. There is an admission charge per person, and current rates are on their website. We are not charging beforehand for this museum. It will be on a pay-as-you go basis.

## **L**ee G. Simmons Conservation Park & Wildlife Safari (Optional)

<http://www.wildlifesafaripark.com>

For those who want to stay a little closer to home, you can opt for a tour of Lee G. Simmons Conservation Park & Wildlife Safari.

This park is a “Drive-Thru” safari, where you can drive your Model A on a route of approximately five miles and view elk, bison, deer, wolves, bears, waterfowl, Bald Eagles, reptiles, and

**LEE G. SIMMONS  
CONSERVATION PARK  
& WILDLIFE SAFARI**

and many other species native to Nebraska. Bring your camera! The route through the safari is on a gravel road, so your car might get a little dusty, but not too bad since the speed limit is seven miles per hour. In any case, this drive is well worth it. About midway through the drive, you have a chance to park your car and visit the children’s petting zoo, enjoyed by kids of all ages! You can also take a short hike up “Bear Canyon” where you can see bears and wolves in a natural setting. This safari is a favorite destination for kids. There is an admission charge per person, with seniors and kids at a reduced rate. We are not charging beforehand for the wildlife safari. Current rates are on their website (pay-as-you-go).

## **E**vening Social Event

On Tuesday evening we will host a “Hobby Night” social event in the Omaha Ballroom. Participation in Hobby Night is free. If you have a hobby of any type that you would like to share with the rest of the group, bring it to Omaha for Hobby Night! Be sure to indicate on your sign-up sheet that you intend to bring a hobby, and our preference (not required) is that it be “table-top” size (which shouldn’t be a problem if you are bringing it in your Model A). We will be setting up all the hobbies on tables throughout the Omaha Ballroom, so you will have a chance to talk about your hobby to the other guests, as well as learn about all the other hobbies. The more hobbies we have, the better, so don’t hesitate to bring that special collection or hobby you have and share it with the group! There will be a cash bar, and snacks including freshly popped popcorn will also be available.

## **June 7<sup>th</sup> (Wednesday):**

### **B**oys Town

<http://www.boystown.org>

We will start out the day with a short tour to the famous Boys Town in West Omaha. Boys Town started in 1917 by the famous Father Edward Joseph Flanagan. It’s mission for over 100 years has been to give at-risk children and families the love, support and education they need to succeed. The Boys Town philosophy is that regardless of one’s background and circumstances, every child and every family has the potential to thrive. You will get a chance to hear a presentation on the history of this famous institution, as well as an opportunity to roam the grounds and see some of its historic sites. This tour is free, but a recommended \$3/person donation to support Boys Town would be gladly accepted at the start of the tour.

## **H**istoric Lincoln Highway near Elkhorn

[https://en.wikipedia.org/wiki/Lincoln\\_Highway\\_\(Omaha\)](https://en.wikipedia.org/wiki/Lincoln_Highway_(Omaha))

After departing Boys Town, we will drive a short route that includes a brick section of the original Historic Lincoln Highway near Elkhorn.

You will drive your Model A over an approximately 3 mile stretch of the original Lincoln Highway that is one of the most well-preserved sections of original Lincoln Highway in the entire country! This section has been restored using original bricks that were laid in 1920. To protect the brickwork and make it available for the old cars to enjoy, vehicles weighing 6 tons or more are banned. This section of Lincoln Highway was listed on the National Register of Historic Places in 1984. You won't want to miss the opportunity to drive your Model A on this historic and beautiful section of the original Lincoln Highway. You will also have a great chance to take a picture of your car in this historic setting. This tour is free.

**M**en's and Ladies' Luncheons will be held in the hotel starting around noon after we return from Boys Town and the Original Lincoln Highway. Each luncheon will take place separately, in partitioned sections of the Omaha Ballroom, and will include guest speakers that we're sure you will find interesting. The men's luncheon will feature two guest speakers who each possess years of Model A experience you are sure to find fascinating. Ron Kester, owner of Ron's Restoration, will teach us all things we never knew about Model A engines and braking systems. Jim Spawn, editor of The Restorer Magazine, will talk about unusual and rare Model As. The ladies' luncheon will feature "Grandma" Gloria Leonard Hall, a qualified fabric appraiser who has lectured locally and internationally on antique quilts, aprons and feedsacks. Did you know that feedsacks were the fabric-of-choice (or more likely lack-of-choice?) by many during the Model A era? Be sure to attend this luncheon to hear her story of how she got involved in quilting and other vintage textiles, and maybe learn more about her most treasured 1830 elongated nine patch with unglazed English chintz quilt! A kid's rate is available for either luncheon, so mom or dad please sign up and bring your kids along too, because they just might learn something they won't find on a computer game!

**S**elf-Guided Tours are available Wednesday afternoon as your own schedule allows (See the list from Sunday). Wednesday afternoon is also a good chance to finish the **People's Choice** and **Youth Choice** Judging. The **Youth Scavenger Hunt** will also take place Wednesday afternoon.

**H**ubley Derby Races will take place Wednesday evening in the Omaha Ballroom. The Heart of America Chapter has agreed to run the races for our regional meet. As many of you know, running the Hubley Derby is something that the Chapter has done many times before at other Regionals with great success. We know they will do a first class job in putting together a great night of racing fun. Be sure to bring your Hubley so you can participate in the races. We will have a kids division as well. There will be lots of seating available for those who want to watch the action!

**P**eople's Choice and Youth Choice Ballots – Turn in your ballots for your favorite Model As to the Hospitality Room by 9:00 PM.

## **June 8<sup>th</sup> (Thursday):**

### **A Day at the Zoo** <http://www.omahazoo.com>

We will depart in the morning for a tour to the world famous Henry Doorly Zoo. We have arranged a fantastic all-inclusive fun-filled day at our famous zoo. For those who have visited our zoo in the past, it has undergone some major upgrades and additions in recent years. In addition to all the animals including the new elephant exhibit, our visit will include a catered lunch with a choice of two main entrees (hamburger, hot dog, BBQ beef sandwich, grilled chicken sandwich), two sides, and drink. You will also get a ride on the zoo train, the tram, the carousel, and the Skyfari, as well as a pass to the fabulous IMAX theater. Lunch will be served between 11:30 and 12:30 in the shaded Prairie Dog Picnic area. You can stay at the zoo all day if you wish. With everything you will be provided in this fantastic package deal, there is certainly enough to take up the entire day! However, for those who wish to leave anytime after lunch, we suggest a couple of wonderful attractions in the general area that you could visit before returning to the hotel.

### **Lauritzen Gardens and Kenefick Park (Optional)**

<https://www.lauritzengardens.org> & [http://www.lauritzengardens.org/about/kenefick\\_park](http://www.lauritzengardens.org/about/kenefick_park) Lauritzen Gardens and Kenefick Park are co-located only a couple miles from the zoo. Entrance to Lauritzen Gardens will be a pay-as-you-go, and you can stay as long as you wish. Current rates are on their website. Before (or after) you visit Lauritzen Gardens, be sure to take the short walk from the parking lot up the hill to Kenefick Park where you will see up-close a couple of Union Pacific Railroad's massive engines, perched on the hill as they welcome visitors driving into Omaha.

### **Omaha Old Market (Optional)**

<http://oldmarket.com>  
A visit to the famous Omaha Old Market district is another attraction you won't want to miss during your stay in Omaha. This is a great opportunity to visit the Old Market, since you are already in the general area when you leave the zoo. The Old Market is full of interesting restaurants and shops, and there's even an unusual Model A in one of them, if you can find it. (Hint: Popcorn and candy!) There is no charge to visit the old market (unless you buy something).

**E**vening Social Event  
Thursday evening we will host another social event in the Omaha Ballroom. This event will be an Ice Cream Social, where you can mingle with your Model A friends while enjoying a delicious ice cream treat. Entertainment will be provided that is sure to make you smile!

**June 9<sup>th</sup> (Friday):**

## **CLAAS of America Factory Tour**

<http://www.claasofamerica.com/company-claas-contact/claas-of-america>

Friday will be a busy day! We will start our day with a free tour to the CLAAS of America Factory. Located in the “heart” of the corn and wheat belts of the Midwest, CLAAS-Omaha is the home of the award winning LEXION combine. The Omaha facility is one of the most modern facilities of its type in the world, and is the assembly site for North America’s LEXION combines and home to a team of engineers and CLAAS personnel spearheading modern agriculture machine development. You are being given a very rare and unique opportunity to get a behind-the-scenes look at the CLAAS North American headquarters, where hundreds of LEXION combines are assembled each year. This tour is free and will last approximately 1.5 hours. The tour will include a theater portion as well as a walking tour of the LEXION assembly facility. In return for this generous opportunity to see this highly technical operation, CLAAS has a few rules that must be followed in order to assure your safety and protect their close-held company information.

Their rules are as follows:

- Visitors must have a valid photo ID and will be asked to sign-in before the tour.
- Individuals must be at least 13 years old to tour the facility. NOTE: Don’t worry if you have kids or grandkids. We will have some kids activities planned in a large room at the facility, so your kids will be kept busy while you tour the assembly plant).
- Close-toed shoes and long pants are required (no sandals or flip flops).
- No photography, video or recording devices of any kind are allowed during the tour.
- Cell phones are not to be used during the tour.
- Visitors must stay within the designated areas and with the tour guide at all times.
- Visitors will be required to wear a safety vest and safety glasses at all times during the tour (These will be provided by CLAAS).

After touring the CLAAS factory, there will be time to enjoy lunch on your own at your choice of several locations before returning to the hotel.

**Kid’s pool/pizza party** will happen at noon in the indoor water park.

<http://www.cocokeyomaha.com/> . All kids 18 and younger are invited to the pool, where you can swim, play in the water parks numerous attractions, spend time in the arcade, and enjoy pizza! Parents of younger children will also be allowed to attend, so even the youngest ones will have a great time. If you wish to swim, you will need to purchase a pass at our greatly reduced rate for that day from the hotel front desk.

**Model A Car Games** will take place on Friday afternoon in the hotel parking area. We plan to have several games – some will involve driving your Model A and some will not. This is sure to be a great time for those who participate.

**F**uture Regional Meeting will happen at 4:00 PM in the hotel. We strongly suggest that a representative from each Model A club to be present, so we can discuss this meet and look at the schedule for future regional meets in 2018 and beyond! Be sure to discuss this with your own club members before the meeting, so you come ready to volunteer to host a future Model A Regional Meet!

**F**riday Evening Farewell Banquet/Optional Dress-up Night – This will be our final organized event for our Regional and will be held in the Omaha Ballroom. You will be able to enjoy a delicious buffet meal, and say goodbye to your old (and new) Model A friends (until next year!). This will also be a great chance (optional) to wear your Model A era clothing if you wish. There will be no official "judging". This is just a chance to dress in the Model A era if you want to add a little more festive atmosphere to what is sure to be a fun-filled evening.

Entertainment will be provided, and we will be showing pictures from all of the events throughout the week. We will also present the awards for Car Games, People's and Youth Choice, and Hubley Derby. We will also give away our grand door prizes as well as other raffle prizes. This will definitely be a memorable evening as we celebrate the fun we had and the friendships we made throughout the week.

The evening will kick off with a Social Hour and cash bar from 5:00 - 6:00 PM, followed by the buffet dinner at 6:00 PM. Special teen meal and kid's meal prices are also available at low rates (details and prices in your registration package), so plan to bring all the kids and grandkids to this final event of our regional.

---

### **June 10<sup>th</sup> (Saturday):**

Guests depart. Remember, you can stay at the host hotel at our greatly reduced group rate for up to three nights before and/or after our regional meet. Come a few days early or stay a few days late and enjoy our great city! Drive home safely. We want to see you again at next year's regional meet!

---

## **Please take note:**

**Kids Activities** – We want to make this regional a family-friendly event so be sure to bring your kids and grandkids. Our hotel is co-located with the fabulous CoCo Keys Water Park, which will thrill kids of all ages. We have negotiated a fantastic deal of only \$10 per day for unlimited use of the water park. Just purchase your wristband at the hotel's front desk for whichever day(s) you wish to play! We will be planning other kid's activities based on the number of kids (18 and under) who register. As of now, we are planning a kid's Pool/Pizza Party and a Kid's Scavenger Hunt, as well as Kid's Hubley Races and possibly a couple Kid's Car Games. More events may be added depending on the number of kids who come to Omaha.

**Car Trailers** - Although Trailer parking space is somewhat limited in the immediate hotel area, we have been offered a separate parking area directly north of the Model A parking area exclusively for trailers. Please mark on your registration form if you plan to bring a car trailer, so we accommodate your needs.

**Other Special Needs or Concerns** - We look forward to serving as your host for the 2017 Omaha Regional. If you have any questions, concerns, or special requests, please don't hesitate to ask. Our host hotel has also promised to do their best to accommodate any special needs, including any special dietary concerns for any scheduled meals or banquets taking place in the hotel.
